DEEMED TO BE UNIVERSITY

FIRST AID AWARENESS **PROGRAMME REPORT**

DATE OF EVENT:08/AUGUST/2024

VENUE: AMRITESHWARI HALL

SUBJECT: TO CREATE AWARENESS ON FIRST AID
AND CPR

AUDIENCE: NSS Students, Representatives from all classes of
all départements, Teaching and Non-Teaching staff, Wardens,
Supervisors and Security Personnels.

On August 8, NSS organized a "FIRST AID AWARENESS PROGRAMM" at AMRITA VISHWA VIDYAPEETHAM in collaboration with Department Of Student's Welfare, Alive Club, and K.G. Hospital, Coimbatore. Understanding the value of educating staff and students about first aid and CPR, we received a great response from security personnel, wardens, staff, and most importantly Amrita students.

The program began at 2:00 PM, with all the audience and guests arriving at the venue. The event started with a prayer and lighting the lamp symbolizing hope.

Following the prayer, NSS student coordinator GOLLA RAM delivers the welcome speech.

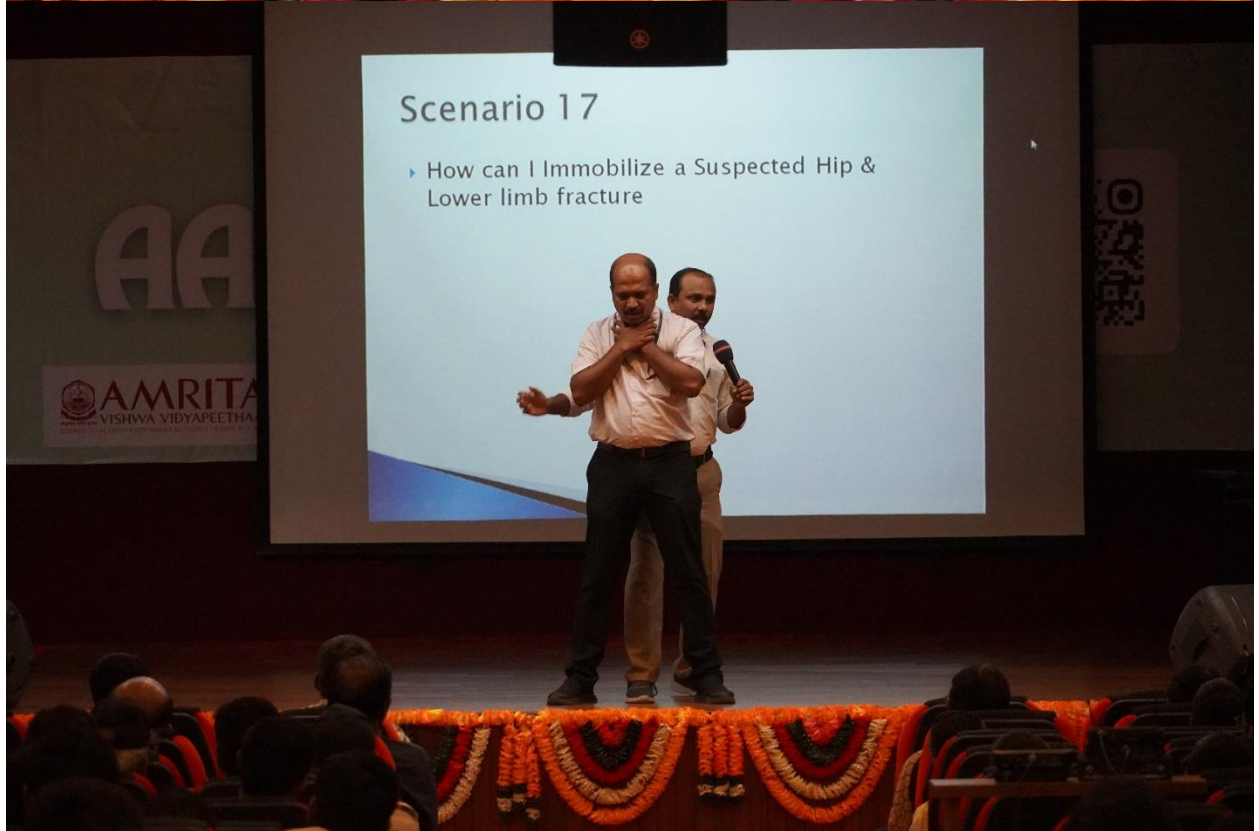

Following the welcome address, NSS student coordinator Dharshni welcomed DR.D. VENKATARAMAN, NSS programme coordinator, to offer his insightful thoughts on the significance of first aid and CPR. He remarked, "First aid learned today will make you a life savior tomorrow."

Following Sir's speech, we invited experts to begin their demonstration of first aid and CPR. The awareness program was engaging, and entertaining. Some audience whole heartedly participated in performing CPR manually and with the use of an automated external defibrillator (AED)

Additionally, the hospital's expertise demonstrated how to respond in various emergency situations where someone needs our assistance and how to perform first aid. And they also cleared up the doubts raised by the audience. We also came to know that many things which we do during first aid should not be done.

Further as a token of respect, mementos were presented to the two experts for sharing their knowledge with us, following the demonstration.

After that vote of thanks was given by NSS Student coordinator Pola Srinitha

And the program ended with the National Anthem.
