

Hostel accommodation for the academic year 2022-2023 Instructions to students of the 2021 batch

Greetings.....,

25 July 2022

Accommodation in the hostel will be made available **two days before the class commencement date.**

1. Due to the sudden increase in admissions in 2020 and 2021, the hostel students' strength increased drastically. In order to accommodate all the willing students into the hostels, we are forced to accommodate 5 students per room on a temporary basis till new hostel blocks are built and become operational.
2. Hostel students whose place of residence is in Coimbatore/Palakkad are requested to prefer to become day scholars in order to help the students coming from far-off places.
3. Since the 2021 batch of students has paid the hostel and mess fee till December 2022, the difference amount in the hostel fee (Rs.7,000) for boys will be adjusted in the hostel fee to be paid in January 2023 since they will be allotted 5 occupancy rooms.
4. The revised hostel and Mess fees for this academic year (2022-2023) are as follows:
 - o Hostel fee – Rs. 40,000/- per annum – 5 occupancy rooms for boys
 - o Hostel fee – Rs. 47,000/- per annum – 4 occupancy rooms for boys and girls
