The government school teaching event was held in Ettimadai, located around 5 kilometers from Amrita University on August 17, 2023. The event was organized by the National Service Scheme (NSS) under the guidance of Dr. D. Venkataraman, NSS Programme Coordinator, Amrita Vishwa Vidhyapeetam. The program commenced with a prayer at 5:30 PM followed by participants reciting inspirational Thirukkural.

தமிழ்த்தாய் வாழ்த்து

An enriching school teaching campaign centred around greetings in prayers to God was executed with zeal. Students were sensitized to the power of respectful salutations, cultivating a deeper connection to spirituality. This endeavour not only imparted cultural awareness but also nurtured a sense of reverence among children, fostering a harmonious atmosphere of shared devotion.

The school's teaching program was witness to a truly captivating scene, as the children played various games like dumb charades with laughter and camaraderie. It was a harmonious symphony of energy and spirit, with each child embodying active participation and their faces lit up with joy. The games not only fostered physical activity but also social interaction and the atmosphere was filled with genuine enjoyment. It was clear that the program had successfully blended education and play seamlessly, creating a space where children could grow and learn fun and engagingly.

LESSONS OF HARD WORK AND TEAMWORK FROM THE CROW AND THE CRANE...

THANUS'S SPEECH

AIYYAPPAN's SPEECH

The vital principles of hard work and teamwork took centre stage, drawing inspiration from the tales of the crow and the crane. The crow's relentless persistence and determination to achieve its goal taught us the importance of tenacity. At the same time, the crane's wise decision to choose a larger target emphasized the value of intelligent decision-making. Engaged students attentively absorbed the animal anecdotes, connecting deeply with relatable lessons of perseverance and strategic thinking.

AAKASH's STORYTELLING (CROCODILE AND RABBIT)

The importance of wit and intelligent decision-making in challenging situations was discussed. The clever rabbit employs quick thinking and resourcefulness to outsmart the formidable crocodile, showcasing how adapting one's approach to the circumstances can

lead to successful outcomes. This narrative underscores the value of strategic thinking and adaptability when navigating complex scenarios

PURPOSE OF LIFE: Dr. VENKATARAMAN NARRATED A STORY ON EDUCATION'S ELEVATED VALUE...

Dr. D VENKATARAMAN SIR SPEECH

Dr.Venkataraman narrated a story on the purpose of life where he inspiringly related how a stone's value increases from place to place, likewise, the value of education takes us to higher places imparting knowledge on the importance of education in every individual's life. Children were curiously listening to the narration.

To make children uncover diverse languages, the discussion was also held in Malayalam, Telugu, and English by our volunteers Keerthana, Sravani, and Sai Chetan respectively. Children were given a glance at how each story relates to different languages.

Dr. VENKATARAMAN SIR'S SPEECH TRANSLATED TO MALAYALAM, TELUGU, AND ENGLISH FOR A MULTILINGUAL NARRATIVE EXPERIENCE.....
