Step 15 :-

On the next page, you will need to upload documentation that the account owner attends or works at the Qualified Education Institution (see FAQ) during that year. All Students and teachers and Staff installing Autodesk products will need to complete the verification.

Additional documentation needed

Please upload a copy of documentation issued to you by your educational institution (e.g. tuition receipt or student ID, employee ID) as proof that you attend, teach or are employed at a qualified educational institution

You have 14 days to upload your documentation

The document must include:

1. Your full legal name (Amrita Student)
Note: The name on the document you submit must match this.
2. The name of the educational institution at which you are enrolled or employed (Amrita Vishwa Vidyapeetham)
Note: The school name on the document you submit must match this.
3. A date within the current school term.

Preferred documents include:

- Transcript
- School-issued confirmation letter
- A copy of your student ID (photo ID not required)

Supported file types: JPEG, PDF, PNG, GIF

 Drag documents here, or browse

NOTE: If your uploaded document is too fuzzy to read, does not show your full and legal name, or shows a name different from the one you used for this Autodesk account, you will not be able to complete the confirmation process. Please do not include any confidential information in the document you upload, such as social security numbers or banking details. Please ensure any sensitive information is blacked out before you upload your document.

Step 19 :- Choose the application(Autocad/Inventor/Revit) that you wish to install. There is also a link to each applications **System Requirements** which you should check beforehand. Most of the Autodesk applications are large download files and also can take up a large amount of space on your computer - check you have sufficient space.

The screenshot shows the Autodesk Education portal interface. At the top, there's a navigation bar with links: EDUCATION, Get Products, Learn & teach, Competitions & events, Prepare & excel, Support, and About Autodesk Education. Below this is a blue banner stating: "Fusion 360 for Chromebooks is now available to educational subscribers. Learn more." The main content area has a dark header with a greeting "Hi, Student01!" and a message: "Your educational access to Autodesk products is valid through June 15, 2022. Choose a product below." On the left, there's a sidebar with categories: All products, Architecture, Engineering, & Construction, Product Design & Manufacturing, and Media & Entertainment. The main area displays a grid of product cards. Each card includes a platform icon (Windows, Apple, Linux, Android, or a combination), the product name (REVIT, AUTOCAD, or 3DS MAX), a brief description, and a "Get license" button. The products shown are: REVIT (Plan, design, construct, and manage buildings...), REVIT Generative Design (Quickly generate design alternatives...), AUTOCAD (Software for 2D and 3D CAD...), AUTOCAD FOR MAC (Software for 2D and 3D CAD), INVENTOR PROFESSIONAL (Professional-grade product design and engineering tools...), and 3DS MAX (3D modeling, animation, and rendering software...).

Step 20 :- Choose the version and installation you require. For compatibility you should ensure this is the same version recommended for your course. Scroll to the bottom of the page.
