

**Amrita Vishwa Vidyapeetham, Amrita School of Engineering, Coimbatore.
Supplementary Schedule for VII Semester B.Tech. (2014 Batch & Prior to 2014 Batch)**

**Exam Office
25.09.2018**

Date, Day & Session	AEE	CHE	CIE	CSE	ECE	EIE	EEE	MEE
08.10.2018 FN Monday					ECE431 Information Theory and Coding Techniques		EEE441 Electrical Drives and Control	
08.10.2018 AN Monday								
10.10.2018 FN Wednesday		CHE430 Process Equipment Design and Drawing			ECE430 Radio Frequency Engineering	EIE440 Industrial Automation		
12.10.2018 FN Friday	AES411 Flight Dynamics	CHE410 Transport Phenomena						
12.10.2018 AN Friday				CSE421 Net - centric Programming				
15.10.2018 FN Monday					ECE445 Wireless Communication			
15.10.2018 AN Monday			CVL474 Ground Improvement Techniques				EEE457 Utilization of Electric Energy EEE461 Advanced Control Theory	MEC354 Condition Monitoring and Diagnostic Maintenance MEC369 Turbonachinery
17.10.2018 FN Wednesday	AES362 Engineering Fracture Mechanics AES456 Air-breathing Engines AES461 Composite Mechanics and Materials AES472 Space Flight Mechanics	CHE351 Modern Separation Methods CHE461 Chemical Process Modelling and Simulation			ECE451 Introduction to Soft Computing ECE376 Embedded Systems ECE377 Digital IC Design ECE465 Aviation Electronics		EEE454 Power System Control EEE455 High Voltage Engineering EEE471 Embedded Systems Design	MEC458 Advanced Manufacturing Processes
17.10.2018 AN Wednesday			CVL463 Remote Sensing and GIS	CSE462 Wireless and Mobile Communication			EEE472 Fundamentals of Soft Computing EEE431 Power System Protection and Switchgear	
23.10.2018 FN Tuesday								MEC401 Operations Research
25.10.2018 FN Thursday	AES453 Advanced Computational Fluid Dynamics AES471 Advanced Avionics	CHE481 Management and Economics of Chemical Processes	CVL455 Structural Dynamics and Seismic Design CVL471 Urban Transportation Planning	CSE400 Computer Graphics and Visualisation		EIE461 Analytical Instrumentation		MEC400 Instrumentation and Control Systems
24.10.2018 FN Wednesday							ENV200 Environmental Studies	

25.10.2018 AN Thursday	CHY259 Instrumental Methods of Analysis			
30.10.2018 FN Tuesday	CHE400 Environmental Engineering for Process Industries	CVL453 Pre-stressed Concrete Design CVL464 Advanced Environmental Engineering	CSE455 Data Warehousing and Data Mining CSE475 Natural Language Processing	EIE413 Biomedical Instrumentation
01.11.2018 FN Thursday			CSE430 Computer Language Engineering	EEE341 Power Electronics
07.11.2018 FN Wednesday	MING400 Principles of Management			
13.11.2018 AN Tuesday			ECE351 Image Processing ECE478 VLSI System Design	

Timing : FN - 09:30 to 12:30pm AN - 01:30 to 04:30pm

Deputy Controller of Examinations
