CIRCULAR

Rearrangement of Fast Paced Courses for 8th semester B Tech Chemical Engineering

After the mid-term examination scheduled on 10/1/2022, the fast paced courses will be switched to online mode starting from 17/1/2022. The students who do not require lab facilities to be utilized for their project work may vacate the hostel immediately after the mid-term examination. The day scholars who wish to avail lab facilities are to stay in the hostel following the SOP for campus entry. All the students staying in the hostel shall abide by the guidelines issued by the COVID cell. The end semester examination will be conducted in the online mode and arrangements will be made to take the examination in the computer labs for the students staying in the hostel.
