ASE, Coimbatore**

Circular – 2019 Batch

Ref: 2019/UG/02

07-01-2022

Request all the 2019 batch students to make a note of following changes in the academic activities:

1. The present lab classes (pending labs) will continue as per the schedule. Students can start leaving the campus by 11-01-2022, A.N. However, students are allowed to stay back for convenience of planning their travel.
2. Any student who has missed any lab exercises / Lab end semester examinations / Viva can complete on 12th and 13th of Jan 2022.
3. The 6th semester classes will start after the Pongal holidays on 19th of Jan 2022 in on-line mode.
4. Students have to register additional courses namely 19MEE314 (Introduction to FEM) and 19MEE312 (Automation and IOT (theory part only)) in lieu of lab courses. Registration will be done by the department Academic Coordinator on behalf of students.
5. 19MEE311 (Design Thinking) and all lab courses planned in 6th semester will be offered later.
6. Students are requested to plan their Summer Internship in reputed industries and organization starting from mid of June 2022 for a period of one month. Students have to get in touch with the placement coordinator of the department regarding internship and placement activities.

Requesting all of you to keep safe and help the world in bringing an end to this Pandemic. Please follow Covid Protection Protocols all time.

Thanking you and with best regards
