January 6, 2022

CIRCULAR

Due to the current surge in the COVID / Omicron situation in the country, following modifications are being taken in the academic sessions on immediate effect.

1. **Seventh Semester (2018-22 batch)** B.Tech ECE and EIE offline examinations planned, will now be conducted in the online mode starting from 18.1.2022. The schedule will be released by DyCOE.

2. 15ECE495/15EIE495 Phase-I Final Project review will be conducted on 4th and 5th February 2022 in online mode.

3. **Eight semester ECE/EIE courses** on Fast-Pace will be starting from 7th February 2022 in online mode. Timetable will be circulated separately.

4. **Sixth semester B Tech students (2019-23 batch)** who are now attending pending laboratories will wind up their lab work and move out of the campus by 12.1.2022. They will continue their classes in online mode.

5. **M Tech students and PhD scholars** in the campus will continue to stay in the campus and attend their project and research work

6. **Day scholar ECE –UG / PG** students commuting to the campus for attending project work need to stay inside the campus.

7. Those students who have difficulty in going back to home can continue to stay in the hostel by strictly following all Covid protocols

For further clarifications, you are requested to contact your Class Adviser.
