17/12/2019	A Talk on E-Waste management awareness by Dr R Marimuthu, Scientist, Centre for Materials for Electronics Technology c-MET	E-107, Main Block, Amrita School of Engineering, Ettimadai, Coimbatore-64112

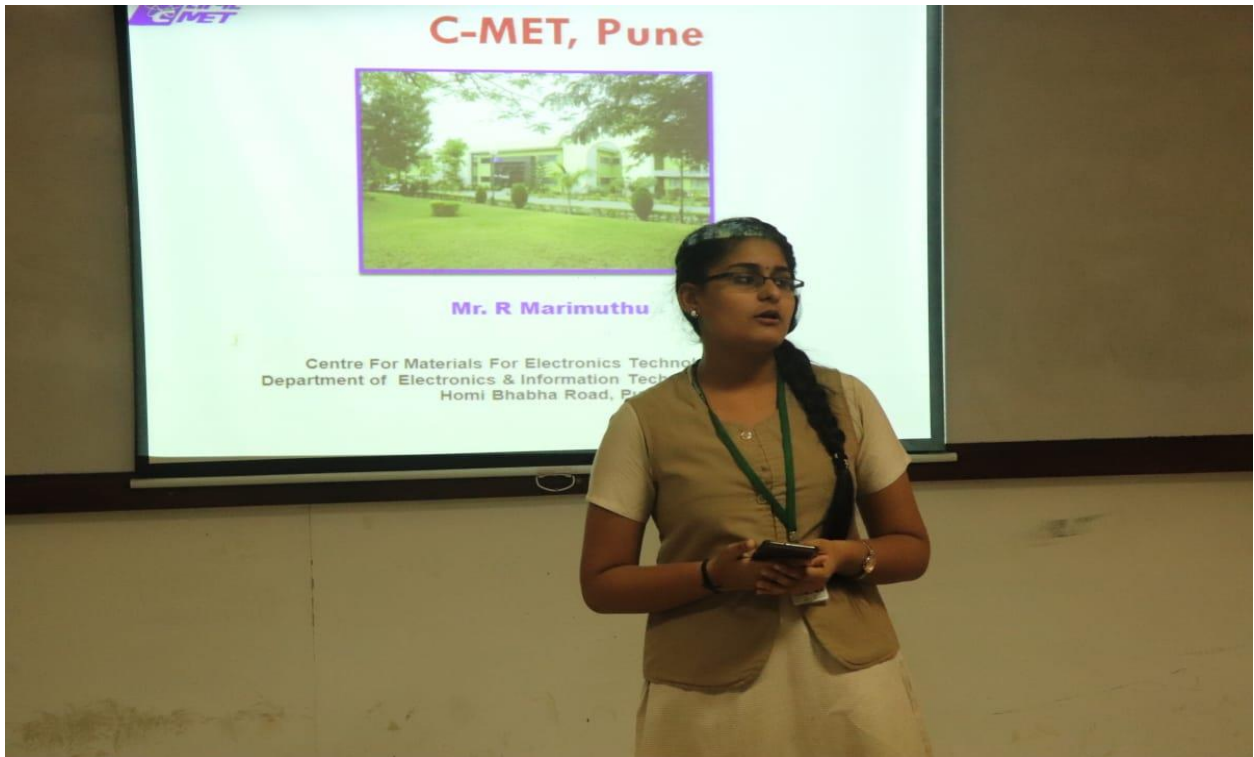

A Talk was organized by the NSS Amrita Chapter, on E-Waste management awareness. The invited talk was given by Dr R Marimuthu, Scientist, Centre for Materials for Electronics Technology c-MET

The modern world is a world of technology, and with all ultra-modern facilities and devices and gadgets that have simultaneously upgraded the standard and style of living and at the same time, posing a serious threat to the environment due to the huge quantity of E-Waste pouring out. This awareness is highly essential in an Engineering college and hence our NSS Chapter organized a talk by a renowned scientist from the Centre for Materials for Electronics Technology, Pune.

Around 76 students from all units participated in the event and benefitted from the talk given at E-107 from 5:00 p.m. to 5:30 p.m. on the 17th of December, 2019. All the Programme Officers and their team of students were present on the occasion.

Programme Officer Dr Venkatraman opening the session by giving the importance of the topic

Ms Athira, from Unit 6, introducing the Speaker, Mr R Marimuthu

Mr Marimuthu giving his expert talk and students noting down important points

Students observing with keen interest

Session made live through visual presentation

Students deeply engrossed in the talk

Expert speaker concluding his speech with a question-answer session

The talk ended with a re-iteration of the awareness of the gravity of the problem and the possible solutions that can help mankind in preserving the environment.
