HOSTEL ADMINISTRATION

The following officers/staff constitute the Hostel administration:

Each hostel is managed by a hostel committee headed by a Chief Faculty Warden, who will be a faculty at the level of Assistant Professor or above

and Resident Wardens who are directly in charge of the students of the hostel to which they are attached. One of the unique features of Amrita hostels is the mentoring system facilitated through full-time resident wardens. Each resident warden is to look after 200-250 students. Resident Wardens will interact with the students under their care on a day-to-day basis. They will monitor the academic, extracurricular activities and wellbeing of the residents and counsel them whenever required. The resident wardens in proper coordination with the parents and the class advisors act as local guardians of the students.
