

MATLAB Online Registration Guide (For Amrita students)

This is a guideline for the students of Amrita Vishwa Vidyapeetham, who want to create a personal account in the MathWorks online portal, use the MATLAB online version and activate the Matlab offline version installed in a personal computer with their MathWorks account credentials.

1. Registration Part : Make a MathWorks account with university Email ID as follows

Step 1: To make a MathWorks account you can go to this page

<https://in.mathworks.com/academia/tah-portal/amrita-vishwa-vidyapeetham-1061757.html> and create a MathWorks account.

Step 2: Click **Sign in to get started.**

A screenshot of the MathWorks account creation form. The form has the MathWorks logo at the top. Below the logo is the text "Email" followed by an empty text input field. Below the input field is a link that says "No account? Create one!". Below the link is the text "By signing in you agree to our privacy policy". At the bottom right of the form is a blue button with the text "Next".

Step 3 : To use, download and activate you must create a MatLab account. Click **Create One.**

Create MathWorks Account

Email Address

Location

Which best describes you?

Are you at least 13 years or older? Yes No

Step 4 : Here it is important to register your **Amrita email**, and your account has to be set up for “Student or Research scholar Use”

Create MathWorks Account

Email Address

Location

Which best describes you?

Are you at least 13 years or older? Yes No

i To access your organization's MATLAB license, use your work or university email.

- Select one...
- Student
- Teacher/researcher in academia
- Hobbyist
- Engineer/scientist in government
- Engineer/scientist in industry

Create MathWorks Account
