

# NSS STUDENT INDUCTION PROGRAMME 2023

UNITS: All units.

VENUE: Sudhamani Hall

TIME: 5:00- 6:30 pm.

## **Introduction:**

The National Service Scheme (NSS) is a widely recognized youth-centric program in India aimed at instilling the values of community service, social responsibility, and civic engagement among students. The NSS Student Induction Programme serves as an essential initiation for new participants, setting the tone for their involvement in community service. This report provides an overview of the NSS Student Induction Programme held on 16/11/2023 at Amrita Vishwa Vidyapeetham Coimbatore.

**Objective:** The primary objective of the NSS Student Induction Programme is to familiarize new participants with the NSS ethos, its mission, and the significance of community service. It aims to create a sense of belonging and commitment among students towards community development and social welfare.

## **Welcome and Inauguration:**

The programme started with the lighting of the lamp, seeking blessings from Amma, followed by a prayer song by NSS volunteers.

Welcome address was given by Mr. Vardhan student coordinator.

Introduction to NSS by Mr. Theophilus student coordinator.

**Interactive Sessions:**

Dr. Prema P NSS PO addressed the students and conveyed no service is considered to be small if done wholeheartedly.

Dr. Ilango Karuppasamy NSS PO , shared his insights and how community service helps students to excel in their life.

Dr. D Venkataram NSS programme coordinator spoke about camp activities and regular activities presenting a series of videos. And also shared how internal development and external development leads to holistic and overall development. And he also emphasized on the A,B,C,D,S of life and how a student should inculcate good in their life and also spoke about how NSS makes a great change In the life of a student.

An in-depth orientation on the various activities and projects conducted by NSS was provided. This included information on health camps, environmental initiatives, literacy drives, and other community-centric projects. Participants were encouraged to express their preferences and interests in specific projects.

An essential component of the induction programme was the discussion on the code of conduct and ethics expected from NSS volunteers. Emphasis was placed on principles such as integrity, empathy, and inclusivity.

## Cultural performances

Miss Bhavana shared her experience of NSS, and how NSS helped her in her personality building and as well as in academics.

Miss Harini ended the programme with vote of thanks.

THANK YOU
