## Revised Supplementary Schedule for I Semester M.Tech. ( 2018 & 2019 Batch) April 2020

Date, Day & Session	Biomedical Engineering	Communication Systems	VLSI Design	Automotive Electronics	Automotive Engineering	Engineering Design	Artificial Intellegents and Data Science	Computer Scinece and Engineering	Embedded Systems	Power Electronics	Cyber Security	Structura Construc Enginee
23.04.2020 FN Thursday	18MA602 Mathematical Methods for Engineering			19MA606 Mathematical Methods for Automotive Electronics	18AT601 Automotive Chassis and Transmission Systems	18ED601 Advanced Mechanics of Solids	19MA608 Linear Algebra and Optimization	18CS622 Digital Signal and Image Processing	18MA604 Applied Mathematics for Embedded Systems	18PE601 Power Converters I	18CY701 Sata Mining and Machine Learning in Cyber Security	19MA603 Linear Alg Legendre Equations Numerical Methods
28.04.2020 FN Tuesday	18CE601 Signal Processing	—	18VL612 Digital System Design	19AL602 Digital Control Systems	18AT602 Internal Combustion Engines	18ED653 Mechanical Vibrations	19AD605 Distributed System Technologies	18CS623 Cloud and IOT	—	18PE621 Electrical Machines Analysis	18CY602 Cryptography	18SC601 Advanced Structural Mechanics
30.04.2020 FN Thursday	—	—	18VL613 Analog IC Design	19AL612 Automotive Grade Processors	18AT603 Automotive Materials and Manufacturing	—	19AD603 Foundations of Data Science	18MA611 Mathematics for Computer Science	—	18PE622 Advanced Control Theory	18CY621 Internet Protocols	18SC611 Theory of Elasticity Plasticity
05.05.2020 FN Tuesday	—	—	18VL602 Physics and Technology of MOS Devices	—	18AT611 Automotive Electronics	—	19AD604 Principles of AI and Machine Learning	18CS621 Foundation of Data Science	—	—	18MA603 Mathematical foundations for cyber security	18SC612 Advanced Structural Design
08.05.2020 FN Friday	—	—	18VL611 CMOS Integrated Circuits	—	18MA601 Applied Mathematics	—	19AD601 Data structures and Algorithms	18CS601 Foundations of Computer Science	—	—	18CY601 Concepts in system security	18SC613 Constructi Project Managem

Times : FN - 09:30 to 12:30 PM

Revised Supplementary Schedule for II & III Semester M.Tech. (2015 , 2017 & 2018 ) March - 2020

Date, Day & Session	Manufacturing Engineering	Automotive Engineering	Power Electronics	Biomedical Engineering	Automotive Electronics	Engineering Design	VLSI Design	Cyber Security
<b>26.03.2020 FN Thursday</b>	16ME714 Additive Manufacturing	18AT706 Vehicle Body Engineering	18PE624 Electric Drives and Control II Sem	18CE731 II Sem Machine Learning	17AL707 Multi Sensor Data Fusion	18ED703 Modelling, Simulation and Analysis of Engineering Systems	—	18CY704 Wireless Networking and Security
<b>27.03.2020 FN Friday</b>	—	—	18PE722 Renewable Energy Technologies II Sem	—	—	—	18VL712 Static Timing Analysis II Sem	18CY705 Coding and Information Theory

**Times : FN - 09:30 to 12:30 PM**

Copy to The Chairpersons - EEE / MECH / ECE
