

Applications invited for
STUDENT EXCHANGE / INTERNSHIP
2023

Amrita Center for International Programs (ACIP) invites applications for Student Exchange /Internships (2023) at various universities in Asia, the USA, and Europe.

Applications are for (January) Spring Semester, 2023. Applicable for final year students of all disciplines.

Students have to submit their interest on or before **August 13th, 2022**.

A limited number of students are accepted in these universities. Students from all campuses will be selected according to their merit and the nomination by the concerned department. **Please go through the respective websites of the universities to see if relevant courses in your area of study are available.**

Student Exchange

Semester Exchange program – Students can do courses/projects

Currently, we are accepting applications for:

- University of New Mexico, USA - All Engineering, Management - **UG / PG**
- Danish School of Media and Journalism, Denmark - Media and Journalism - **UG / PG**
- Tampere University, Finland - All Engineering - **UG / PG**
- Valencia Polytechnic University (UPV), Spain - All Engineering - **UG / PG**
- University of Twente, Netherlands - Engineering Technology, Electrical Engineering, Mathematics, Computer Science - **UG / PG**
- University of Groningen, Netherlands - Business and Economics students - **UG / PG**
- Ludwig Maximilian University, Germany - Psychology and Pedagogy - **PG**
- University of Paderborn, Germany - CSE ONLY - **UG / PG**
- Darmstadt University of Applied Sciences, Germany - Mechanical Engineering - **UG/PG**
- University of Aalto, Finland - School of Science (CS) or ElectricalEngineering **UG/PG**
- The University of Trento, Italy - Science and Technology Area: Civil, Environmental and Mechanical Engineering; Physics; Mathematics; Information Engineering and Computer Science; Industrial Engineering; Centre for Integrative Biology - **PG**
- Halmstad University, Sweden - CSE, Civil, Biology, Maths, Mechanical, Biotech, Power and Energy - **UG**
- National Ilan University, Taiwan - Biotechnology - **UG/PG**
- Politecnico Di Milano, Italy - Engineering, Physics, Maths, Architecture - **UG/PG**

- Grenoble INP, France (PHELMA, ENSIMAG, ENSE3, GI, PAGORA) - All engineering - **UG/PG**
- Universitat de Barcelona, Spain - Faculty of Economics and Business Sciences - **PG**
- University of Milano - Computer Science and related fields only - **UG / PG**
- UPC, Spain - EEBE - Mechanical, Robotics, Instrumentation and Electronics - **UG/PG**
- UPC, Spain - ETSEIB - Engineering, Mechanical Automatic control, Electrical, Industrial, Chemical, Material, Nuclear, Automotive, logistic and Environmental - **UG/PG**
- UPC, Spain - ESEIAAT - **UG / PG ; Bachelors** - Electrical Engineering, Chemical Engineering, Industrial Technology Engineering, Mechanical Engineering; **Masters** - Industrial Engineering, Engineering of Automatic Systems and Power Electronics, Technology and Engineering Management
- UPC, Spain - ETSETB - **UG / PG; UG courses and thesis** - Degree in Telecommunications Technologies and Services Engineering. Majors: Audiovisual Systems, Electronic Systems, Telecommunications Systems, and Network Systems; **Master courses and thesis** - Master of Telecommunications Engineering Master of Electronic Engineering
- UPM, Spain - ETSIAAB - Biotechnology - **UG / PG**

Please note the following

- The semester exchange program is applicable/relevant only if you are able to find corresponding courses available at the universities. Please do a rough course mapping to see if the subjects and area of interest are offered in English
- A CGPA of 8 and above is preferred for submission of interest.
- No Tuition Fees required to be paid at Host University
- Travel and local stay expenses will have to be borne by students

Internships

Students will be enrolled for projects in the universities on acceptance.

- Northern Illinois University, USA, - For Mechanical, EEE, ECE students only
- Pennsylvania State University, USA - For ECE, EEE and CSE students' only
- North Dakota State University, USA - ECE and CSE students' only

Please fill the form below to confirm your interest followed by mailing your resume (Use Chairperson name as reference) to outgoing@amrita.edu ((Please use the subject title: Student Exchange - Winter / Spring 2023)
